Aristotle University of Thessaloniki (AUTH)

The Aristotle University of Thessaloniki (AUTH) is among the largest universities in Greece. It was founded in 1925 and started operating one year later in 1926. Currently the main campus is located in the centre of the city of Thessaloniki, and covers an area of about 33.4 hectares. It comprises 10 faculties which consist of 40 schools and 1 single-School Faculty.

About 46.500 active students study at the Aristotle University (8.915 in postgraduate programmes, of which 4.078 at Doctoral level). There are 2.022 faculty members.

AUTH Library & Information Centre

The University Library was founded in July 1927 and started operating in December of the same year. Initially housed in the old School of Philosophy building, it moved to its own four-storey premises in the heart of the university campus in 1974. The new Central Library building was inaugurated in 2000.

Currently, the Library and Information Centre is an independent decentralized unit of the Aristotle University of Thessaloniki, comprising the Central Library and its 45 branches.

Collection

The initial core of collection was formed by donations. Later, it was enriched by purchases and subscriptions. The collection includes manuscripts, books dating from the 15th century, maps, artifacts, etc. Currently the collection includes:

- More than 1.500.000 printed and electronic books
- 16.000 electronic journals (AUTH Library & HEAL-Link Consortium subscriptions)
- 36 bibliographic databases (AUTH Library & HEAL-Link Consortium subscriptions)
- More than 4.000.000 digitized pages from out-of-copyright material (Psifiothiki digital library) and pages of papers, master theses and doctoral dissertations (IKEE Institutional Repository)
